Social Network

- GitHub
- Platzi

Languages

- 🇲🇽 Spanish ●●●●●●
- 🇬🇧 English ●●●●●○○

Hard Skills

- **Programming:** C, C++, JS, Rust & Python
- **Frontend:** HTML, CSS & JS
- **Databases:** MySQL & PostgreSQL
- **Control Versioning:** Git
- **Computer Managment:** Assembly & Maintenance (Software & Hardware)
- **Linux:** CLI & Bash Scripting
- **Markup:** MD, LaTex & HTML

Soft Skills

- Communication
- Problem Solving
- Adaptability
- Attention to Detail
- Self-taught
- Teamworking

About Me

I'm a Computer Engineering student passionated about cibersecurity, data science, web development and everything about computers and software development. I'm able to learn and work in a team.

Working Experience

2020 - 2022	**Appliances Seller**	Soluciones Juárez
	Seller and client support throught messages, calls and face to face. I used to show the product to clients and solving their doubts, also I used to give support on guarantees.	

Education

2018 - 2021	General Baccalaureate by Competences	Preparatoria No. 11
2022 - now	Bachelor's degree in Computer Engineering	CUCEI-UDG

Certificates

Software

2023-05-29	Programming and Web Development Fundamentals	Platzi
2023-08-26	Git & GitHub	Platzi
2024-01-13	Object Oriented Programming in C++	Platzi

Hardware

2022-07-05	Computer Optimization	Mastermind
2022-07-23	Computer Assembly	Mastermind
2022-07-26	Computer Maintenance	Mastermind
2024-06-15	Electricity & Electronics Fundamentals	Platzi
2024-06-16	Electronics Circuits Fundamentals	Platzi

Languages

2022-12-08	Intermediate English: Conversation	Platzi
2022-12-08	High Intermediate English: Grammar	Platzi

Projects

2023-08	Web Game: Job Extinction	Platzi
2023-11	Website	CUCEI-UDG
2024-04	File Compressor Huffman	CUCEI-UDG
2024-05	Metaheuristic Algorithm VRP	CUCEI-UDG
2024-05	ChatBot: Chat Tender	CUCEI-UDG
2024-05	Personal Blog	

Learning

Short-term (0 - 3 months)

- **Cibersecurity:** Cibersecurity for Managers and Executives
- **Network:** Cisco Networking Essentials
- **Hardware**: Iphone Electronic Repair

Medium-term (3 - 6 months)

- **Databases:** MongoDB
- **Programming:** WebAssembly & Mobile Apps Development

Long-term (6 - 12 months)

- **Cibersecurity:** Criptography, Hacking & Pentesting
- **IA:** Deep Learning
- **Hardware:** IOT Development
